

ADS-B update

ADS-B requirements are approaching, and they will effect all the aircraft within the 30-mile radius of DTW.

Directions: Take I-94 to State Street exit, turn south. Go to the first light, which is Airport Drive. Turn right. Take the Airport drive to the very end. The conference room is in the basement of the terminal building.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
